### Arriving By Car

If you are coming from the direction of Indooroopilly along Moggill Road, stay in the right lane. You will need to turn right into Beatrice Street (U-Turn us no permitted) after the Mercedes Mazda Car Centre (which are located on the left). Turn first right into George Street that follows up to Hungry Jacks and exit back out onto Morrow Street. When you are opposite Hungry Jacks indicate to turn right in to the Medical Centre. The building is the first on the right (in the middle of the island). If you miss the turn, keep driving and you can turn right at the second set of lights in to Moorak Street and then turn right again to drive down Moggill Road again.

If you are coming from the direction of Toowong along Moggill Road, you will see on your left side the Sun Fay Chinese Restaurant. The road splits here. Stay in the furthest left lane, this is Morrow Street. You should be able to see Hungry Jacks on the left. When you are opposite Hungry Jacks indicate to turn right in to the Medical Centre. The building is the first on the right (in the middle of the island). If you miss the turn, keep driving and you can turn right at the second set of lights in to Moorak Street and then turn right again to drive down Moggill Road again.

### Parking

There is free parking at the front of the building and underneath. Disabled parking zones are available at the front door and underneath the building near the lift. There is a lift to Level 1.

### Arriving By Train

Taringa train station is located very close to the practice. For the young and fit it is about a 5 minute walk to the practice. If you are elderly or frail, please be warned the walk includes a very steep hill from the train station. After arriving at Taringa station, exit to Harrys Road (which is the steep hill you need to walk up). Turn right on to Morrow Street and then downhill to number 15 which is the last building on the left side of the road.

### Arriving By Bus

Numerous bus services travel along Morrow Street. You will need to contact [TransLink](http://www.translink.com.au) (<http://www.translink.com.au>) to obtain the best route.

### Toilets

Toilets (including disabled toilets) are located on Level 1 and on the ground floor of the building.

### Pharmacy & Pathology

A pharmacy is located on the Ground Level of the building. Sullivan Nicolaides Pathology is located on Level 1.
